#### Fire & EMS Activities

- Plan developed by Chief West to rotate fire engines to keep vehicles in regular use and extend the usable life of all vehicles.
- Jim Batanian, the Fire Department's Emergency Vehicle Technician (EVT), has been busy working on all the vehicles and saving the Township a significant amount of money doing in-house repairs and maintenance.
- Interim Fire Chief Dave West has been meeting with engineers to obtain quotes for expanding and remodeling the fire hall to accommodate a new kitchen, bathrooms, day room and bunk room.

## Road Department

The road crew is keeping busy mowing the park and cemeteries and working on Fox Rd as part of our Ohio Public Works Commission (OPWC) project. Dust control has been applied to Brydle, River, and Kingsvbury roads.

- **Fox Rd OPWC Project** - The road crew has been working on clearing stumps and other vegetation from the road right-of-way. They are also working on ditches and working with property owners on drainage tiles and driveway culverts. If you are a Fox Rd resident and are interested in tiling your frontage contact Road Superintendent, Chris Bradek, at (440)-224-2377 or [chris.bradek@kingsvilletwp.org](mailto:chris.bradek@kingsvilletwp.org).

- **Free Firewood** - From projects around the township, we have free firewood available at the Township Garage at 5890 Cemetery Rd. Contact Mr. Bradek for details.

- **Recycling and Yard Waste** - The Township is moving forward with our plans to have a drop off area for yard waste and partner with the county on a recycling site. We have staked out the placement for the concrete pad and have received some quotes that we are considering. We have also approved the purchase of a security system to monitor the location. See the motions below for details.

## Latest Motions & Resolutions

Date	Meeting	Type	Motion Category	Motion
7/8/2020	Regular	General Admin		Approve the purchase of 75 yard signs promoting social distancing and wearing masks at a cost not to exceed \$500.00
